

# HIGH-IMPACT TUTORING, LED BY EXPERIENCED TEACHERS

## Cognition Snapshot

### **Standards Aligned Instruction**

Work directly with our Program Managers to customize the experience for your school/district and ease the workload of your educators.

### **Data Leads the Way**

What data matters most? Session attendance, progress in specific standards, feedback from students...we collect and make all of it available.

### **More than Average Tutors**

Our Program Managers aren't the only former teachers - Cognition tutors average over a decade of classroom experience and are certified experts.

### **Collaborative Learning Works**

Student-to-student interaction is not only acceptable, it's encouraged. They work together to understand problems, thus building confidence and communication.

## **Meet Our Tutors**

Not only do our tutors average over a decade of classroom experience, but they also bring a range of other skills to sessions, such as: experience with learning disabilities, advanced degrees in education or mathematics, and a number of language capabilities.

To see who your students might be matched with...check out a few of our Tutor Profiles.

# Tech Requirements

## Devices

- Chromebooks
- Windows
- MacOS

## Browser Support

**Google Chrome**  
(Preferred)

**Safari**

**Microsoft Edge**

## Program Integrations

Tutoring is delivered through common A/V platforms aligned with what the district is currently using for virtual instruction, including Google Meet, Microsoft Teams, and Zoom. Application access must be allowed by the IT administrator. Tutoring can be delivered at school/district facilities and/or at-home when devices and proper broadband are provided.

### Collaborative Platforms

Jamboard  
Microsoft Whiteboard  
Desmos  
Fogstone Portal

### Student Rostering (determined by district)

Clever  
OneRoster  
Google Classroom  
Edlink

# FAQs

## **My school has partnered with Cognition. How do I get log in?**

For teachers or administrators, go to the [Fogstone Isle portal](#) and create an account, or contact your designated Cognition Program Manager.

## **Who are a few of Cognition's biggest partners?**

Cognition is proud to work with Denver Public Schools, Baltimore City Public Schools, and Charlotte Mecklenburg Schools..among others.

## **Does Cognition work with students during summer school?**

Yes, our tutors/educators are available during the standard school year AND summer school.

## **Is there a designated student to tutor ratio that Cognition works with?**

We deliver individual (1-to-1) and small group (4-to-1) tutoring sessions. Our program is customized to fit each school's specific needs.

## **Is there a preferred schedule/session cadence for Cognition?**

Tutoring sessions are typically held three-to-four times a week, 45 minute sessions, over a 14-18 week period (depending on the school's schedule). However, every bit of the program can be flexible to the school's needs.

## **What are Cognition's hours of operation for students?**

Our tutors/educators are available seven days a week from 7am to 10pm ET.
